

FAIRFAX COUNTY, VIRGINIA

Associations

More than 300 trade associations and professional societies are based or have significant offices in Fairfax County, Virginia. These organizations disseminate information, advance knowledge, and support activities for state, national and international memberships. They extend across various occupations, industries, fields of study and areas of interest. Fairfax County associations represent a wide variety of industries, including: agriculture, automotive, banking/finance, construction, education, food, health, health care/medicine, manufacturing, technology and transportation. These organizations range in size from small to very large in terms of staff and operating budgets. Staffing among them ranges from a few volunteers to more than 500 professional staff. Budgets range from less than \$10,000 to more than \$100 million annually.

Attached is a listing of Fairfax County associations, organized alphabetically. Each association's community location and Web site address also are provided.
