

FAIRFAX COUNTY, VIRGINIA

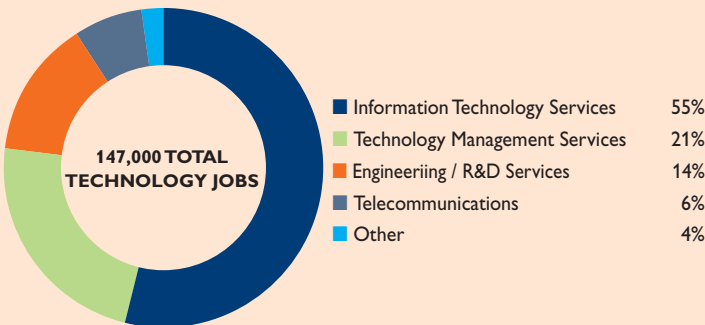

Technology Businesses

Fairfax County is home to thousands of technology-focused enterprises that deliver a full spectrum of high-end services and solutions to government, industry and consumer markets worldwide. Many nationally and internationally recognized technology market leaders, including Fortune 500 companies, are either headquartered or have operations in the county. Several large technology-focused Federally Funded Research and Development Centers and nonprofits also are major employers here.

Fairfax County Technology Businesses: Facts and Stats

TECHNOLOGY EMPLOYMENT BY SECTOR

“Given our highly skilled workforce and global presence, our requirements warranted a modern and collaborative workspace with access to well-educated professionals, a first-class transportation system and compelling amenities.”
 — David McGlade, Chairman and Chief Executive Officer, Intelsat
