

# FAIRFAX COUNTY, VIRGINIA

## Corporate Headquarters

Corporate, North American, U.S. and divisional headquarters of some of the largest and fastest-growing companies in the world, representing a diverse range of industry sectors, are located in Fairfax County.

### BUSINESS-FRIENDLY CLIMATE

- >> Stable and well-managed state and local government
- >> Active chambers of commerce, associations, advocacy and networking groups
- >> Access to top-tier professional service providers

### MARKET ACCESS

- >> Access to the U.S. federal government
- >> More than 430 foreign-owned companies
- >> Proximity to foreign embassies
- >> Community of numerous Fortune headquarters and divisional and regional headquarters
- >> 60 percent of U.S. population within a day's drive or two-hour flight
- >> Global travel through three major national airports: Washington Dulles International Airport, Ronald Reagan Washington National Airport and Thurgood Marshall Baltimore-Washington International Airport
- >> Amtrak train and bus service to major metro areas along the east coast, including New York City

### TALENTED WORKFORCE

- >> 62 percent of residents hold a bachelor's degree or higher
- >> 500,000+ regional labor pool of executive, managerial, business and financial talent
- >> Second largest U.S. metro for technology employment
- >> 60+ regional colleges and universities and 90,000 degrees awarded annually

### ATTRACTIVE QUALITY OF LIFE

- >> Highly-rated local school system and numerous private school options
- >> Temperate climate and 50 square miles of public parkland, residents enjoy a wide variety of outdoor activities, including biking, hiking, tennis and golf
- >> Theater, music, community arts centers and festivals located throughout the county, including Wolf Trap National Park for the Performing Arts
- >> Minutes away from the cultural and historical riches of Washington, D.C.
- >> Home of major league professional sports teams

"We have chosen Fairfax County, considered the East Coast center of technology innovation, for its proximity to the nation's capital, a vibrant business community, access to several international airports and Metro's Silver Line, and an incredibly diverse and highly educated workforce."

— Michael J. Saylor, CEO, MicroStrategy

**“In selecting a new location for our U.S. headquarters, we sought an environment that reflects the innovative and dynamic nature of our industry. Given our highly skilled workforce and global presence, our requirements warranted a modern and collaborative workspace with access to well-educated professionals, a first-class transportation system and compelling amenities.”**

— David McGlade, Chairman, Intelsat
