

FAIRFAX COUNTY ECONOMIC DEVELOPMENT AUTHORITY COMMONWEALTH OF VIRGINIA

GENERAL CONDITIONS AND INSTRUCTIONS

The general rules and conditions which follow apply to all purchases and become a definite part of each formal solicitation and resulting contract award issued by the FAIRFAX COUNTY ECONOMIC DEVELOPMENT AUTHORITY, unless otherwise specified. Bidders or their authorized representatives are expected to inform themselves fully as to the conditions, requirements, and specifications before submitting bids: failure to do so will be at the bidder's own risk and relief cannot be secured on the plea of error.

CONDITIONS OF BIDDING

3. BID FORMS-Unless otherwise specified in the solicitation, bid Cover Sheets and Pricing Schedules are furnished in duplicate and all bids shall be submitted in duplicate, on the forms provided, properly signed in ink in the proper spaces and submitted in a sealed envelope. The item pages of the Pricing Schedule which do not include any items for which a bid is required need not be included in the submission of a bid.

Should the bid prices and/or any other submissions differ on the copy of the submitted bid, the ORIGINAL copy shall prevail. All invitations to bid, requests for proposal, any other solicitations or any and all bids or proposals may be cancelled or rejected by the FCEDA, prior to award.

4. LATE BIDS & MODIFICATIONS OF BIDS-

- a. Any bid/modification received at the office designated in the solicitation after the exact time specified for receipt of the bid/modification is considered a late bid/modification. A late bid/modification will not be considered for award except under the following conditions only:
 - 1) It was sent by registered or certified mail not later than the fifth (5th) calendar date prior to the date specified for receipt of the bid/modification; or
 - 2) The bid/modification was sent by mail and it is determined by the FCEDA President & CEO that the late receipt was due solely to mishandling by the FCEDA after receipt at the address specified in the solicitation.
- b. If the FCEDA declares administrative or liberal leave, scheduled bid openings or receipt of proposals will be extended to the next business day.
- c. The time of receipt of bids at the specified location is the time-date stamp of such location on the bid wrapper or other documentary evidence of receipt maintained by the specified location.
- d. A late hand-carried bid, or any other late bid not submitted by mail, shall not be considered for award.

5. WITHDRAWAL OF BIDS-

- a. A bidder for a contract other than for public construction may request withdrawal of his or her bid under the following circumstances:
 1. Requests for withdrawal of bids prior to opening of such bids shall be transmitted to the FCEDA President & CEO in writing.
 2. Requests for withdrawal of bids after opening of such bids, but prior to award shall be transmitted to the FCEDA President & CEO, in writing, within two (2) business days after the conclusion of the bid opening procedure, accompanied by full documentation supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, etc. If bid bonds were tendered with the bid, the FCEDA may exercise its right of collection.

No bid may be withdrawn under this paragraph when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent. If a bid is withdrawn under the authority of this paragraph, the lowest remaining bid shall be deemed to be the low bid. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

- b. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his or her bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of

original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid which shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. The bidder shall give notice in writing to the FCEDA President & CEO of his or her claim of right to withdraw his or her bid within two (2) business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice.

- c. Work papers, documents, and materials submitted in support of a withdrawal of bids may be considered as trade secrets or proprietary information subject to the conditions of the Freedom of Information Act.

6. ERRORS IN BIDS-When an error is made in extending total prices, the unit bid price will govern. Erasures in bids must be initialed by the bidder. Carelessness in quoting prices, or in preparation of bid otherwise, will not relieve the bidder. Bidders are cautioned to recheck their bids for possible error. Errors discovered after public opening cannot be corrected and the bidder will be required to perform if his or her bid is accepted.

7. MAILING OR DELIVERY OF BIDS-All bids must be delivered or mailed in a sealed envelope. In the event that the bid contains bulky subject material, the bid must be in a sealed envelope, securely attached to the additional bid material being submitted.

8. COMPLETENESS-To be responsive, a bid must include all information required by the solicitation.

9. ACCEPTANCE OF BIDS/BINDING 90 DAYS-Unless otherwise specified, all formal bids submitted shall be binding for ninety (90) calendar days following bid opening date, unless extended by mutual consent of all parties.

10. CONDITIONAL BIDS-Conditional bids are subject to rejection in whole or in part.

11. BIDS FOR ALL OR PART-Unless otherwise specified by the FCEDA President & CEO or by the bidder, the FCEDA President & CEO reserves the right to make award on all items in the aggregate or on any of the items on an individual basis, whichever is in the best interest of the FCEDA. A bidder may restrict his or her bid to consideration in the aggregate by so stating but shall name a single unit price on each item bid. Any bid in which the bidder names a total price for all the articles without quoting a unit price for each and every separate item may not be considered for award.

12. TIME FOR RECEIVING BID-Bids received prior to the time of opening will be securely kept, unopened. The representative of the FCEDA President & CEO assigned to open them will decide when the specified time has arrived, and no bid received thereafter will be considered, except as provided in paragraph 4, General Conditions and Instructions to Bidders. No responsibility will attach to the FCEDA President & CEO or his or her representative for the premature opening of a bid not properly addressed and identified. Unless specifically authorized in the solicitation, electronic telegraphic or facsimile bids/modifications will not be considered.

13. BID OPENING-All bids received in response to an Invitation to Bid (IFB) will be opened at the date, time and place specified, and read publicly and made available for inspection as provided in paragraph 68, General Conditions and Instructions. Abstracts or tabulations of bids received are posted at the Fairfax County Economic Development Authority for a minimum of 30 days.

Proposals received in response to a Request for Proposal (RFP) will be made available as provided in paragraph 68, General Conditions and Instructions.

14. OMISSIONS & DISCREPANCIES-Any items or parts of any equipment listed in this solicitation which are not fully described or are omitted from such specification, and which are clearly necessary for the completion of such

equipment and its appurtenances, shall be considered a part of such equipment although not directly specified or called for in the specifications. Should a bidder find discrepancies or ambiguities in, or omissions from, the solicitation, including the drawings and/or specifications, he or she shall notify the FCEDA President & CEO at least five (5) days prior to the date set for the opening of bids. If necessary, the FCEDA President & CEO will send a written addendum for clarification to all bidders no later than three (3) days before the date set for opening of bids. Notifications regarding specifications will not be considered if received within five days of the date set for opening of bids.

15. RESPONSE TO SOLICITATIONS-In the event a vendor cannot submit a bid on a solicitation, he or she is requested to return the solicitation cover sheet with an explanation as to why he or she is unable to bid on these requirements. Because of the large number of firms listed on the FCEDA's Bidders List, it may be necessary to delete from this list the names of those persons, firms or corporations who fail to respond after having been invited to bid for three (3) successive solicitations. Such deletion will be made only after formal notification of the intent to remove the firm from the FCEDA's Bidders List.

16. BIDDER INTERESTED IN MORE THAN ONE BID-If more than one bid is offered by any one party, either directly or by or in the name of his or her clerk, partner, or other persons, all such bids may be rejected. A party who has quoted prices on work, materials, or supplies to a bidder is not thereby disqualified from quoting prices to other bidders or firms submitting a bid directly for the work, materials or supplies.

17. TAX EXEMPTION-Fairfax County and the FCEDA are exempt from the payment of any federal excise or any Virginia sales tax. The bid price must be net, exclusive of taxes. However, when under established trade practice any federal excise tax is included in the list price, a bidder may quote the list price and shall show separately the amount of federal tax, either as a flat sum or as a percentage of the list price, which shall be deducted by Fairfax County and the FCEDA. Fairfax County's Federal Excise Tax Exemption Number is 54-74-0127K. Contractors located outside the Commonwealth of Virginia are advised that when materials are picked up by the FCEDA at their place of business, they may charge and collect their own local/state sales tax. Materials used in the performance of construction contracts are subject to Virginia Sales/Use Tax as described in Section 630-10-27J of the Virginia Retail Sales and Use Tax Regulations.

18. PROHIBITION AGAINST UNIFORM PRICING-The FCEDA President & CEO shall encourage open and competitive bidding by all possible means and shall endeavor to obtain the maximum degree of open competition on all purchase transactions using the competitive sealed bidding, competitive negotiation, or open market methods of procurement. In submitting a bid each bidder shall, by virtue of submitting a bid, guarantee that he or she has not been a party with other bidders to an agreement to bid a fixed or uniform price. Violation of this implied guarantee shall render void the bids of participating bidders. Any disclosure to or acquisition by a competitive bidder, in advance of the opening of the bids of the terms or conditions of the bid submitted by another competitor shall render the entire proceedings void and shall require re-advertising for bids.

SPECIFICATIONS

19. QUESTIONS CONCERNING SPECIFICATIONS-Any information relative to interpretation of specifications and drawings shall be requested of the Contract Manager, in writing, in ample time before the opening of bids. No inquiries, if received by the Contract Manager within five (5) days of the date set for the opening of bids, will be given any consideration. Any material interpretation of a specification, as determined by the Contract Manager, will be expressed in the form of an addendum to the specification which will be posted on the FCEDA web site and sent to all prospective bidders no later than three (3) days before the date set for receipt of bids. Oral answers will not be authoritative.

20. BRAND NAME OR EQUAL ITEMS-Unless otherwise provided in the invitation for bid, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named: it conveys the general style, type, character, and quality of the article desired, and any article which the FCEDA in its sole discretion determines to be the equal of

that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

21. FORMAL SPECIFICATIONS-When a solicitation contains a specification which states no substitutes, no deviation therefrom will be permitted and the bidder will be required to furnish articles in conformity with that specification.

The bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever the mention is made of any articles, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. regulations or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications.

22. FEDERAL SPECIFICATIONS-Any Federal Specifications referred to herein may be obtained from the GSA Federal Supply Service Bureau - Specification Section, 470 East L'Enfant Plaza, S.W., Suite #8100, Washington, D.C. 20407 (1-202-619-8925)

AWARD

23. AWARD OR REJECTION OF BIDS-The FCEDA President & CEO shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of the FCEDA to accept it. Awards made in response to a RFP will be made to the highest qualified offeror whose proposal is determined, in writing, to be the most advantageous to the FCEDA taking into consideration the evaluation factors set forth in the RFP. The FCEDA President & CEO reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of the FCEDA. Award may be made to as many bidders as deemed necessary to fulfill the anticipated requirements of FCEDA. The FCEDA President & CEO also reserves the right to reject the bid of a bidder deemed to be a non-responsible bidder.

In determining the responsibility of a bidder, the following criteria will be considered:

- a. The ability, capacity and skill of the bidder to perform the contract or provide the services required;
- b. Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference;
- c. The character, integrity, reliability, reputation, judgment, experience and efficiency of the bidder;
- d. The quality of performance on previous contracts or services;
- e. The previous and existing compliance by the bidder with laws and ordinances relating to the contract or service;
- f. The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service;
- g. The quality, availability and adaptability of the goods or services to the particular use required;
- h. The ability of the bidder to provide future maintenance and service for the use of the subject of the contract;
- i. The number and scope of the conditions attached to the bid;
- j. Whether the bidder is in arrears to the FCEDA on a debt or contract or is in default on a surety to the FCEDA; and
- k. Such other information as may be secured by the FCEDA President & CEO having a bearing on the decision to award the contract.

24. NOTICE OF ACCEPTANCE/CONTRACT DOCUMENTS-A written award (or Acceptance Agreement) mailed (or otherwise furnished) to the successful bidder within the time for acceptance specified in the solicitation shall be deemed to result in a binding contract. The following documents which are included in the solicitation shall be incorporated by reference in the resulting contract and become a part of said contract:

- a. FCEDA Solicitation Form/Acceptance Agreement (Cover Sheet) and other documents which may be incorporated by reference, if applicable,
- b. General Conditions & Instructions to Bidders,
- c. Special Provisions and Specifications,
- d. Pricing Schedule,
- e. Any addenda/amendments/Memoranda of Negotiations

25. TIE BIDS-If two or more bidders submit bids that are identical as to price, authorized prompt payment discounts and delivery times, preference will be given to the resident bidder from the Commonwealth of Virginia if there is one, except when in the judgment of the FCEDA such purchase would operate to the disadvantage of the FCEDA. Otherwise, the award will be made by the public drawing of lots. The decision of the FCEDA to make award to one or more of such bidders shall be final.

26. PROMPT PAYMENT DISCOUNT-

- a. Unless otherwise specified in the solicitation, prompt payment discounts requiring payment in less than thirty (30) days will not be considered in evaluating a bid for award. However, even though not considered in the evaluation, such discounts will be taken if payment is to be made within the discount period.
- b. In connection with any discount offered, time will be computed from the date of delivery of the supplies to the carrier when delivery, inspection and acceptance are at the point of origin; or, from date of delivery, inspection and acceptance at destination; or, from date correct invoice or voucher is received in the office specified by the FCEDA, if the latter is later than the date of acceptance. In the event the bidder does not indicate a prompt payment discount, it shall be construed to mean NET 30 days.

For the purpose of earning the discount, payment is deemed to be made as of the date of mailing of the Fairfax County check.

27. INSPECTION-ACCEPTANCE-For determining acceptance of supplies in accordance with the provisions of the prompt payment discount paragraph, inspection and acceptance shall be accomplished only after examination (including testing) of supplies and services to determine whether the supplies and services conform to the contract requirements. Acceptance shall occur only after receipt and inspection provided such inspection, as appropriate, is accomplished within a reasonable time.

28. DEFINITE BID QUANTITIES-Where definite bid quantities are specifically stated, acceptance will bind the FCEDA to order quantities specified and to pay for, at contract prices, all such supplies or services delivered that meet specifications and conditions of the contract. However, the FCEDA will not be required to accept delivery of any balances unordered, as of the contract expiration date, unless the Contractor furnished the FCEDA President & CEO with a statement of unordered balances not later than ten (10) days after the termination date of the contract.

29. REQUIREMENT BID QUANTITIES-On "Requirement" bids, acceptance will bind the FCEDA to pay for, at unit bid prices, only quantities ordered and delivered. Where the FCEDA specifies estimated quantities, the Contractor shall not be required to deliver more than ten (10) percent in excess of the estimated quantity of each item, unless otherwise agreed upon.

CONTRACT PROVISIONS

30. TERMINATION OF CONTRACTS-Contracts will remain in force for full periods specified and/or until all articles ordered before date of termination

31. TERMINATION FOR CONVENIENCE-A contract may be terminated in whole or in part by the FCEDA in accordance with this clause whenever the FCEDA President & CEO shall determine that such a termination is in the best interest of the FCEDA. Any such termination shall be effected by delivery to the Contractor at least five (5) working days prior to the termination date of a Notice of Termination specifying the extent to which performance shall be terminated and the date upon which termination becomes effective. An equitable adjustment in the contract price shall be made for completed service, but no amount shall be allowed for anticipated profit or unperformed services.

32. TERMINATION-

- a. Either party may terminate the contract between the parties upon thirty (30) days written notice to the other. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the contract shall become the property of the FCEDA, and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed up through the date of termination.
- b. Notwithstanding the above, the Contractor shall not be relieved of liability to the FCEDA for damages sustained by the FCEDA by virtue of any breach of contract by the Contractor for the purpose of setoff until such time as the exact amount of damages due to the FCEDA from the Contractor is determined.

34. SUBLETTING OF CONTRACT OR ASSIGNMENT OF CONTRACT FUNDS-It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his or her contractual duties to any other person, firm or corporation, without the previous written consent of the FCEDA President & CEO. If the Contractor desires to assign his or her right to payment of the contract, Contractor shall notify the FCEDA President & CEO immediately, in writing, of such assignment of right to payment. In no case shall such assignment of contract relieve the Contractor from his or her obligations or change the terms of the contract.

35. FUNDING-A contract shall be deemed binding only to the extent of appropriations available to the FCEDA for the purchase of goods and services.

36. DELIVERY FAILURES-Failure of a Contractor to deliver within the time specified, or within reasonable time as interpreted by the FCEDA President & CEO, or failure to make replacements of rejected articles when so requested, immediately or as directed by the FCEDA President & CEO, shall constitute authority for the FCEDA President & CEO to purchase in the open market articles of comparable grade to replace the articles rejected or not delivered. On all such purchases, the Contractor shall reimburse the FCEDA, within a reasonable time specified by the FCEDA President & CEO, for any expense incurred in excess of contract prices. Such purchases shall be deducted from the contract quantities. Should public necessity demand it, the FCEDA reserves the right to use or consume articles delivered which are substandard in quality, subject to an adjustment in price to be determined by the FCEDA President & CEO.

37. NON-LIABILITY-The Contractor shall not be liable in damages for delay in shipment or failure to deliver when such delay or failure is the result of fire, flood, strike, the transportation carrier, act of God, act of Government, act of an alien enemy or by any other circumstances which, in the FCEDA President

& CEO's opinion, are beyond the control of the Contractor. Under such circumstances, however, the FCEDA President & CEO may, at his or her discretion, cancel the contract.

- f. If one or more subcontractors are used, the Contractor is encouraged to utilize small minority-owned, women-owned, and service disabled veteran-owned business enterprises. For assistance in finding such subcontractors, the Contractor agrees to contact the director of the FCEDA Small and Minority Business Development Division, the Virginia Department of Business Assistance, and the Virginia Department of Minority Business Enterprise (prior to January 1, 2014), or the Department of Small Business and Supplier Diversity (beginning January 1, 2014), the local chambers of commerce, and other business organizations.

As part of the contract award, the prime Contractor agrees to provide the names and addresses of each subcontractor, the subcontractor's status as defined by Fairfax County, as a small minority-owned, woman-owned and/or service disabled veteran-owned business, and the type and dollar value of the subcontracted goods/services provided.

Any such employer who fails to comply with the "E-Verify" program shall be debarred from contracting with the FCEDA for a period up until one year. Such debarment shall cease

PRICE REDUCTION-If at any time after the date of the bid the Contractor makes a general price reduction in the comparable price of any material covered by the contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to this contract for the duration of the contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For the purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this solicitation. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a general price reduction" under this provision. The Contractor shall submit his or her invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the contract documents. The Contractor in addition will within ten days of any general price reduction notify the FCEDA President & CEO of such reduction by letter. **FAILURE TO DO SO MAY REQUIRE TERMINATION OF THE CONTRACT.** Upon receipt of any such notice of a general price reduction, all ordering offices will be duly notified by the FCEDA President & CEO.

The Contractor, if requested, shall furnish within ten days after the end of the contract period, a statement certifying either (1) that no general price reduction, as defined above, was made after the date of the bid, or (2) if any such general price reductions were made, that as provided above, they were reported to the FCEDA President & CEO within ten (10) days and ordering offices were billed at the reduced prices. Where one or more such general price reductions were made, the statement furnished by the Contractor shall include with respect to each price reduction (1) the date when notice of any such reduction was issued, (2) the effective date of the reduction, and (3) the date when the FCEDA President & CEO was notified of any such reduction.

45. CHANGES-Should it become proper or necessary in the execution of this contract to make any change in design, or to make any alterations which will increase the expense, the FCEDA President & CEO shall determine an equitable adjustment.

No payment shall be made to the Contractor for any extra material or services, or of any greater amount of money than stipulated to be paid in the contract, unless some changes in or additions to the contract requiring additional outlay by the Contractor shall first have been expressly authorized and ordered in writing by contract amendment or otherwise furnished by the FCEDA President & CEO.

55. DEMURRAGE AND RE-SPOTTING-The FCEDA will be responsible for demurrage charges only when such charges accrue because of the FCEDA's negligence in unloading the materials. The FCEDA will pay railroad charges due to the re-spotting of cars, only when such re-spotting is ordered by the FCEDA.

64. INDEMNIFICATION-Contractor shall indemnify, keep and save harmless the FCEDA, its agents, officials, employees and volunteers against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses which may otherwise accrue against the FCEDA in consequence of the granting of a contract or which may otherwise result therefrom, if it shall be determined that the act was caused through negligence or error, or omission of the Contractor or his or her employees, or that of the subcontractor or his or her employees, if any; and the Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith; and if any judgment shall be rendered against the FCEDA in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same. Each bidder or offeror shall certify, upon signing a bid or proposal, that to the best of his or her knowledge no FCEDA official or employee having official responsibility for the procurement transaction, or member of his or her immediate family, has received or will receive any financial benefit of more than nominal or minimal value relating to the award of this contract. rescission of the contract made, or could affect payment pursuant to the terms of the contract.

- b. Whenever there is reason to believe that a financial benefit of the sort described in paragraph "a" has been or will be received in connection with a bid, proposal or contract, and that the contractor has failed to disclose such benefit or has inadequately disclosed it, the FCEDA President & CEO, as a prerequisite to payment pursuant to the contract, or at any other time, may require the Contractor to furnish, under oath, answers to any interrogatories related to such possible benefit.

b. A foreign corporation transacting business in Virginia shall secure a certificate of authority from the SCC as required by Section 13.1-757 of the Code of Virginia. The consequences of failing to secure a certificate of authority are set forth in Virginia Code Section 13.1-758.

68. COVENANT AGAINST CONTINGENT FEES-The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For violation of this warranty, the FCEDA shall have the right to terminate or suspend this contract without liability to the FCEDA or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

69. VIRGINIA FREEDOM OF INFORMATION ACT-All proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act except as provided below:

- a. Cost estimates relating to a proposed procurement transaction prepared by or for a public body shall not be open to public inspection.

- b. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the FCEDA decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award except in the event that the FCEDA decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to the public inspection only after award of the contract except as provided in "c". Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.

BIDDER/CONTRACTOR REMEDIES

70. INELIGIBILITY-

- a. Any person or firm suspended or debarred from participation in FCEDA procurement shall be notified in writing by the FCEDA President & CEO.
 - 1. The Notice of Suspension shall state the reasons for the actions taken and such decision shall be final unless the person or firm appeals within thirty (30) days of receipt of the Notice by instituting legal action as provided in the Code of Virginia.
 - 2. The Notice of Debarment shall state the reasons for the actions taken and the decision shall be final unless the person or firm appeals within thirty (30) days of receipt of the notice by instituting legal action as provided in the Code of Virginia.
- b. The FCEDA President & CEO shall have the authority to suspend or debar a person or firm from bidding on any contract for the causes stated below:
 - 1. conviction for commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract;
 - 2. conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which currently, seriously, and directly affects responsibility as a FCEDA contractor;
 - 3. conviction under the state or federal antitrust statutes arising out of the submission of bids or proposals;
 - 4. violation of contract provisions, as set forth below, of a character which is regarded by the FCEDA President & CEO to be so serious as to justify suspension or debarment action;

(a) failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or

(b) a recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts; provided, that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for suspension or debarment;

5. any other cause the FCEDA President & CEO determines to be so serious and compelling as to affect responsibility as a contractor, such as debarment by another governmental entity for any cause listed herein, or because of prior reprimands;

6. the contractor has abandoned performance or been terminated for default on any other FCEDA project;

7. the contractor is in default on any surety bond or written guarantee on which FCEDA is an obligee.

c. If, upon appeal, it is determined that the action taken by the FCEDA President & CEO was arbitrary or capricious, or not in accordance with the Constitution of Virginia, statutes or regulations, the sole relief available to the person or firm shall be restoration of eligibility. The person or firm may not institute legal action until all statutory requirements have been met.

71. APPEAL OF DENIAL OF WITHDRAWAL OF BID-

a. A decision denying withdrawal of a bid submitted by a bidder or offeror shall be final and conclusive unless the bidder appeals the decision within ten (10) days after receipt of the decision by instituting legal action as provided in the Code of Virginia. The bidder or offeror may not institute legal action until all statutory requirements have been met.

b. If no bid bond was posted, a bidder refused withdrawal of bid under the provisions of Article III, Section A.7 of the FCEDA Public Procurement Guideline, prior to appealing, shall deliver to the FCEDA a certified check, cashier's check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.

c. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.

72. APPEAL OF DETERMINATION OF NONRESPONSIBILITY-

a. Any bidder who, despite being the apparent low bidder, is determined not to be a responsible bidder for a particular FCEDA contract shall be notified in writing by the FCEDA President & CEO. Such notice shall state the basis for the determination. Within ten (10) days, the bidder may submit rebuttal information. The FCEDA will issue a written determination within five (5) days of the date that the FCEDA receives the rebuttal information, which shall be final unless the bidder appeals the decision within ten (10) days of receipt of the notice by instituting legal action as provided in the Code of Virginia. The bidder may not institute legal action until all statutory requirements have been met.

b. If, upon appeal, it is determined that the decision of the FCEDA President & CEO was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and the award for the particular FCEDA contract in question has not been made, the sole relief available to the bidder shall be a finding that the bidder is a responsible bidder for the FCEDA contract in question, or directed award, or both. Where the award has been made and performance has begun, the FCEDA may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor

shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

73. PROTEST OF AWARD OR DECISION TO AWARD-

a. Any bidder or offeror may protest the award or decision to award a contract by submitting a protest in writing to the FCEDA President & CEO, or an official designated by the FCEDA, no later than ten (10) days after public notice of the award or the announcement of the decision to award, whichever occurs first. Public notice of the award or the announcement of the decision to award shall be given by the FCEDA in the manner prescribed in the terms or conditions of the Invitation to Bid or Request for Proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit such protest in the same manner no later than ten days after posting or publication of the notice of such contract as provided in Article III, Section C. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction which are subject to inspection under Article II, Section M, then the time within which the protest must be submitted shall expire ten days after those records are available for inspection by such bidder or offeror under Article II, Section M, or at such later time as provided herein. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The FCEDA President & CEO shall issue a decision in writing within ten (10) days of the receipt of the protest stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within ten (10) days of receipt of the written decision by instituting legal action as provided in the Code of Virginia.

Nothing in this subsection will be construed to permit a bidder or offeror to challenge the validity of the terms or conditions of the Invitation to Bid or Request for Proposal.

b. If prior to award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The FCEDA President & CEO shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the contract may be declared void by the FCEDA. Where the award has been made and performance has begun, the FCEDA President & CEO may declare the contract void upon a finding that this action is in the best interest of the FCEDA. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance at the rate specified in the contract up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

c. Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with this article shall not be affected by the fact that a protest or appeal has been filed.

d. An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest, no further action to award the contract will be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.

74. CONTRACTUAL DISPUTES-

a. Any dispute concerning a question of fact as a result of a contract with the FCEDA which is not disposed of by agreement shall be decided by the FCEDA President & CEO, who shall reduce his decision to writing and mail or otherwise forward a copy thereof to the contractor within ninety (90) days. The decision of the FCEDA President & CEO shall be final and conclusive unless the contractor appeals within six (6) months of the date of the final written decision by instituting legal action as provided in the Code of Virginia. A contractor may not institute legal

action, prior to receipt of the public body's decision on the claim, unless the public body fails to render such decision within the time specified.

b. Contractual claims, whether for money or other relief, shall be submitted in writing no later than ninety (90) days after final payment: however, written notice of the contractor's intention to file such claim shall have been given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

75. LEGAL ACTION-No bidder, offeror, potential bidder or offeror, or contractor shall institute any legal action until all statutory requirements have been met.

76. COOPERATIVE PURCHASING-When stated specifically in the solicitation, the FCEDA President & CEO may solicit bids and award contracts on behalf of other public bodies for the purpose of combining requirements to increase efficiency, effect cost savings, or reduce administrative expenses. Jurisdictions participating in such solicitations shall be identified in the solicitation.
